

WHAT WOULD YOU DO FOR \$10,000,000.00?

This question was once asked in a poll. People were given several options and then instructed to indicate all that they would be willing to do. Here were the results:

- 25% – Would abandon their entire family.
- 25% – Would abandon their church.
- 16% – Would give up their American citizenship.
- 16% – Would leave their spouses.
- 10% – Would withhold testimony and let a murderer go free.
- 7% – Would kill a stranger.
- 3% – Would put their children up for adoption.

Out of everyone polled, two-thirds were willing to do at least one of these (James Patterson and Peter Kim, *The Day America Told the Truth*, 1991). With the exception of “giving up American citizenship,” every single one is wrong. This poll provides a sad look at people’s hearts.

Paul warned, “*The love of money is a root of all kinds of evil, for which some have strayed from the faith in their greediness, and pierced themselves through with many sorrows*” (1 Timothy 6:10).

Americans easily fall into the top 1–2% on the world wealth scale.

Christians can be influenced by money as much as others, so we must take a closer look at our hearts. The temptation may not be \$10,000,000, but it may be a questionable job promotion or a compromising decision to make a little extra cash. It is silly to jeopardize our priceless souls for any amount of money. Jesus said, “*For what profit is it to a man if he gains the whole world, and loses his own soul? Or what will a man give in exchange for his soul?*” (Matthew 16:26). –Brett Petrillo
