

NO PUNTS ALLOWED

Kevin Kelley is the head football coach for Pulaski Academy, located in Little Rock, Arkansas. But Kevin Kelley is not your ordinary high school football coach. He has made his mark on high school football by never allowing his team to punt.

Coach Kelley read the research of a Harvard professor who analyzed 2000 high school football games and concluded that a team is statistically better served if they never punt the ball away. Coach Kelley embraced this statistical research, so his team never punts.

So how successful has he been? His overall record is 165-25-1 in 14 years as Pulaski's head coach. His teams have made it to the state semifinals in 12 of those seasons, and have won six state titles in eight attempts. He is an ALL-USA Coach of the Year (2016).

But now, here's the point as this applies to us. Don't be content to do something just because everyone else is doing it. Be an independent thinker. Think outside the box. Get out of your comfortable ruts. Don't be pressured to conform when you are convinced something else is right and expedient.

The Lord needs such people in His church . . . people who will think, plan, brainstorm, and take calculated risks to effectively inform the world of the good news in Jesus! Be one of those people!

"Do not be conformed to this world, but be transformed by the renewing of your mind..." (Romans 12:2).

For our Prayers

Condolences

Our sympathy and prayers are given in the passing of sister Betty Caples. Betty and her husband James were one of the four families that helped establish the church here at Woodbridge in 1962. She will be truly missed. The funeral service was yesterday. The Caples family will be traveling to Mississippi on Thursday. Betty will be interred at Pontotoc Memorial Gardens, Mississippi on Saturday October 13, 2018.
