

Who Is on Trial?

Erwin Lutzer wrote, "Disasters might drive some people away from God, but for others it has the opposite effect, driving them into the arms of Jesus. The destruction of nature has helped them distinguish the temporary from the permanent.

Disasters remind the living that tomorrow is uncertain, so we must prepare for eternity today.

Today is the accepted time; today is the day of salvation. When disasters come, God is not on trial, we are."

The book of Job is an excellent demonstration of this thought. It was Job and not God that was on trial in that book. Job came through the test well.

How will we come through the trials that come our way? Peter wrote, "The genuineness of your faith, being much more precious than gold that perishes, though it is tested by fire, may be found to praise, honor, and glory at the revelation of Jesus Christ" (1 Peter 1:7).
