

## FOLLOW THE GUIDE

Many years ago when Egyptian troops conquered the region of Nubia, a regiment of soldiers crossed the desert with an Arab guide.

Their water rations were limited, and the soldiers were suffering from great thirst. Suddenly, a beautiful lake appeared on the horizon. The soldiers insisted that their guide take them to its banks. The guide knew the desert well and recognized that what they were seeing was just a mirage. He told the soldiers that the lake was not real and refused to lose precious time by wandering from the designated course.

Angry words followed. The soldiers decided they did not need the guide's advice and parted company with him. Yet as the soldiers moved toward the lake, it receded into the distance. Finally, they recognized that the lake was only burning sand. Raging thirst and horrible despair engulfed them. Without their guide, they were lost and without water. Not one of them survived.

Be sure that what you seek today is not only within the realm of reality, but, more important, part of God's plan for your life. Any other goal is likely to be unworthy of your pursuit and may even be deadly. Avoid confusion and always follow the Guide! "Follow Me" (Luke 5:27).
